## iSAS- Architecture

## ISAS- Add-ons Integration

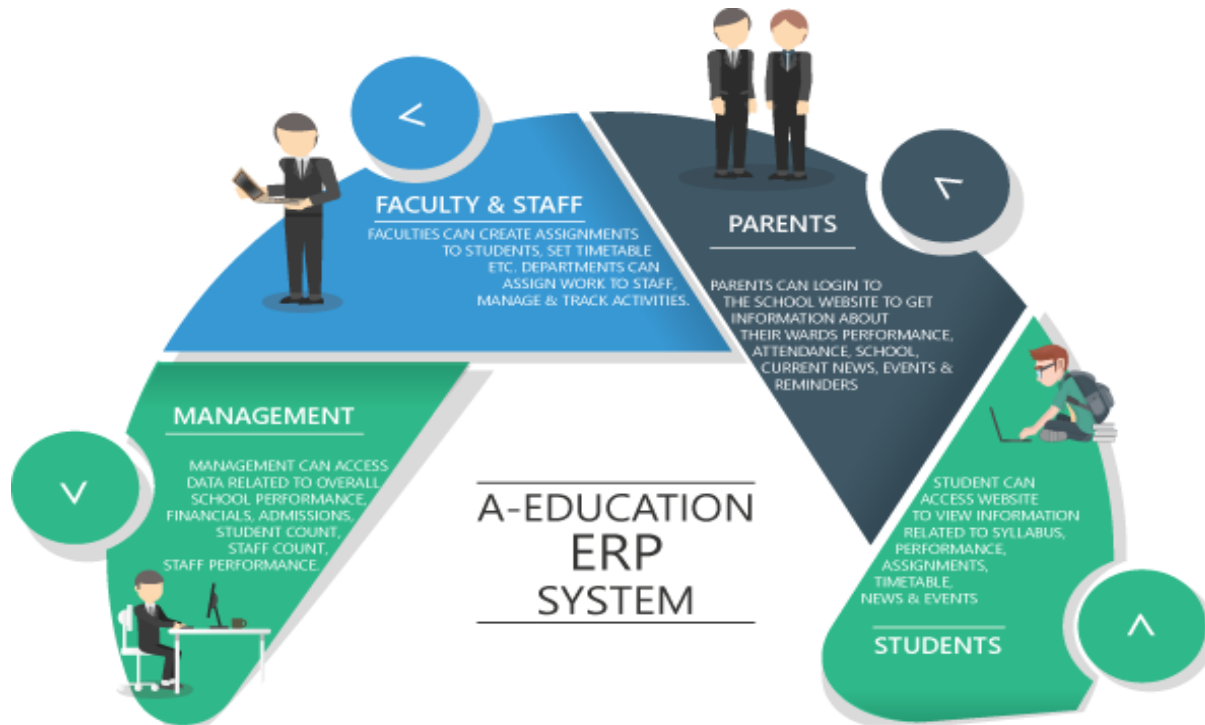

## 4. iSAS-Highlights

- Simple and easy to use interface to manage day to day activities.
- Centralize database with backup policies for data security and reliability.
- Manage student's admission procedure with ease and effortlessly.
- It keeps the record of all financial transactions of school like fee receipts, staff salary etc.
- Student attendance marking or fetch the attendance data from bio-metric machine.
- Timetable generation for all the classes or grades.
- Fully fledged Library Management System.
- User creation and role assignment as per user profile.
- Manage transportation by creating routes and stops.
- Report card generation as per school's format.
- Online Parent dashboard to access the notice, circulars, assignments, homework and many more.
- Facility to submit online fees of student through parent dashboard.
- Generate the different types of customized reports with just one click.

## 5. iSAS-Benefits

### Benefits to Management

- Single point solution to manage all functions of school.
- Enhance school data management system. Made data available easy and early on one click.
- Using an ERP software definitely will reduce the paper-work and is not only cost effective but also eco-friendly.
- User friendly interface requiring minimal learning and IT skills. Elimination of people-dependent processes.
- High level data security. Centrally stored information with zero redundancy.
- Low cost of ownership & maintenance.
- Automated process leading to improved the resource allocation & sharing.

### Benefits to Teachers/Staff

- Increase the productivity. More time availability for other academic tasks and activities.

- Efficient and effective interaction with parents/students.
- Automated student attendance.
- Computerized management of marks and grades.
- Automated and quick report generation along with process turnaround time.

## Benefits to Parents/Students

- Frequent interaction with teachers.
- Reliable update on ward's attendance, progress report and fee payment.
- Prior information about school events, holidays, PTM and examination schedule.
- Regular and prompt availability of school updates through circulars, news, image gallery and messaging system. Online fee submission facility.
- In order to access different information, parents are provided unique user id and password through which they have to login and view every detail. So, all in all, it can be said that the iSAS is facilitating transparent communication by bridging the gap between school and student.

## iSAS-Benefits Summary
